8. Qualification for the Championship Finals

Qualifying Period

8.1 The qualifying period for each Championship Final is from 1 September the previous year till 2 July in the year of the Championship Final.

8.2 Each venue's show organiser has the option to run as many Trailblazers qualifying competitions during each qualifying period.

Qualifying at Combined Training Competitions

8.3 The 5 highest placed combinations, regardless of the number of starters in the qualifier, will qualify to compete at the Championship Finals.

8.4 Competitors that qualify may purchase a Direct Qualification Card from the venue at which they have qualified. The competitors must then complete the Direct Qualification Card and send it the Trailblazers Central Office to register their qualification.

8.5 Competitors must qualify and purchase a Direct Qualification Card for each combined training level in which they wish to compete at the Championship Finals.

Qualifying at Separate Dressage and Show Jumping Competitions

8.6 A horse or pony / rider combination may qualify at separate dressage and show jumping competitions run at Trailblazers venues. To do so, riders must download a Combined Training Special Qualification Form from the Trailblazers website.

8.7 The combination may qualify the dressage by competing at the relevant level and achieving a score of 58% or above. The rider must have the dressage section of the form signed off by the show secretary.

8.8 The same combination may also qualify the show jumping by competing at the relevant level and being placed in the top 8 in the competition. The rider must have the show jumping section of the form signed off by the show secretary.

8.9 When both sections are complete, the Combined Training Special Qualification Form must be returned to Trailblazers Central Office to purchase a Direct Qualification Card and register their qualification. Alternatively, a card may be purchased from the venue after completion of the second part of the qualification and returned, together with the form.

8.10 Competitors must qualify and purchase a Qualification Card for each combined training level in which they wish to compete at the Championship Finals.

Championship Final Schedule

8.11 Once a competitor has qualified by either of the two processes above, purchased their Direct Qualification Card and registered the Card for the level that they have qualified, a link for a digital Championship Final schedule will be sent to the competitor by the Trailblazers Central Office in June in the Year of the Championship Final.
